Additional Information

SCHEDULING APPOINTMENT FOR VISA INTERVIEW: For applicants whose petition was filed with USCIS Frankfurt and fiancé(e) visa applicants: once all your documentation has been received and reviewed you will be notified by this office to go ahead and schedule your own appointment online. ALL OTHER APPLICANTS WILL RECEIVE THEIR APPOINTMENT LETTER DIRECTLY FROM NVC or KCC!

MEDICAL EXAMINATION: Applicants are responsible for scheduling their own appointment for a medical examination with one of our approved panel physicians. The medical examination should be scheduled approximately two weeks prior to your interview date. The medical examination is valid for six months! If these tests expire on or before your interview, you must undergo a modified examination to update your results. Applicants for SIV visa should NOT schedule an appointment before the interview date as many special immigrant visa cases require additional administrative processing after the interview. Our approved panel physicians are listed on our website at https://de.usembassy.gov/visas/immigrant-visas/medical-examination/.

In addition to your travel document and appointment confirmation you must now also bring a print out of your CEAC (DS-260/DS-160) confirmation page with you to the medical examination!
